

A Chicken Fence that will not sag, bag or stretch

Ask your dealer for U. S. Poultry Fence. It's a real fence, not a saggy, stretchy diamond, or hexagonal meshed netting. It requires no baseboard or top-rail and is such a strongly woven fence that it requires fewer posts than other poultry fences.

Easy to put up—stays where you put it.

For Sale—Real Estate

PLEASE READ THIS—Dear reader, do you realize that times are getting better and the opportunity is nearly at an end when you can secure land in the Salt River valley at the price it has been selling at, and while there is a few bargains left you will be wise to secure that will prove a good investment. And here is a golden opportunity. Eight acres of as good soil as lays in the Salt River valley all leveled and ready for crop; first class title and permanent water right; going for sixty-five dollars per acre. This will double your money in a very short time. Part cash will handle. Go with me and see this today. Yours for good service and bargains, Fred A. Dibble, with Herbert S. Prince Co., 14 West Adams St.
